SENATE BILL

No. 136

Introduced by Senator Figueroa

(Coauthors: Senators Johannessen and Polanco)

(Coauthors: Assembly Members Aanestad, Correa, and Thomson)

January 29, 2001

An act to amend Sections 5800, 5810, 6710, 6714, 6735, 6735.3, 6735.4, 6795, 6799, 7200, 7215.6, ~~7801~~, 8710, 8741.1, 8801, 8805, 22251, 22255, and 22259 of, to add Sections 5801.1, 5811, and 5812 to, the Business and Professions Code, relating to professional boards, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 136, as amended, Figueroa. Professional boards.

Existing law provides for the establishment of various professional boards and professional titling and regulatory programs within the Department of Consumer Affairs, including the interior designer titling act, the Board for Professional Engineers and Land Surveyors, the State Board of Guide Dogs for the Blind, and the Tax Preparer program. Funds in the Professional Engineer's and Land Surveyor's Fund are continuously appropriated for purposes of the Board for Professional Engineers and Land Surveyors.

This bill would extend the operation of the titling provisions relating to interior designers, the Board for Professional Engineers and Land Surveyors, the State Board of Guide Dogs for the Blind, and the Tax Preparer program. The bill would authorize the Board for Professional

Engineers and Land Surveyors to increase registration fees for professional engineers and would thereby make an appropriation by including fee amounts deposited in a continuously appropriated fund. *The bill would modify various other provisions relating to professional engineers, interior designers, and tax preparers.* Because the bill would impose crimes and penalties for an extended period of time, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 5800 of the Business and Professions

5 that becomes effective on or before January 1, 2005, deletes or
6 extends the dates on which it becomes inoperative and is repealed.
7 The repeal of this section renders the board subject to the review

27 at not more than 25 percent of the application fee in effect on the
28 date of application.

34 the professional engineer application fee in effect on the date of

37 renewal fee in effect on the date of reinstatement.

38 (f) The board shall establish by regulation an appeal fee for
39 examination. The regulation shall include provisions for an
40 applicant to be reimbursed the appeal fee if the appeal results in

1 passage of examination. The fee charged shall be no more than the
2 costs incurred by the board.

3 (g) All other document fees are to be set by the board by rule.
4 Applicants wishing to be examined in more than one branch of
5 engineering shall be required to pay the additional fee for each
6 examination after the first.

7 SEC. 10. Section 7200 of the Business and Professions Code
8 is amended to read:

9 7200. (a) There is in the Department of Consumer Affairs a
10 State Board of Guide Dogs for the Blind in whom enforcement of
11 this chapter is vested. The board shall consist of seven members
12 appointed by the Governor. One member shall be the Director of
13 Rehabilitation or his or her designated representative. The
14 remaining members shall be persons who have shown a particular
15 interest in dealing with the problems of the blind, and at least two
16 of them shall be blind persons who use guide dogs.

17 (b) This section shall become inoperative on July 1, 2008, and,
18 as of January 1, 2009, is repealed, unless a later enacted statute,
19 which becomes effective on or before January 1, 2009, deletes or
20 extends the dates on which it becomes inoperative and is repealed.

21 SEC. 11. Section 7215.6 of the Business and Professions
22 Code is amended to read:

23 7215.6. (a) In order to provide a procedure for the resolution
24 of disputes between guide dog users and guide dog schools relating
25 to the continued physical custody and use of a guide dog, in all
26 cases except those in which the dog user is the unconditional legal
27 owner of the dog, the following arbitration procedure shall be
28 established as a pilot project.

29 (b) This procedure establishes an arbitration panel for the
30 settlement of disputes between a guide dog user and a licensed
31 guide dog school regarding the continued use of a guide dog by the
32 user in all cases except those in which the dog user is the
33 unconditional legal owner of the dog. The disputes which may be
34 subject to this procedure concern differences between the user and
35 school over whether or not a guide dog should continue to be used,
36 differences between the user and school regarding the treatment of
37 a dog by the user, and differences over whether or not a user should
38 continue to have custody of a dog pending investigation of charges
39 of abuse. It specifically does not address issues such as admissions
40 to schools, training practices, or other issues relating to school

1 standards. The board and its representative are not parties to any
2 dispute described in this section.

3 (c) The licensed guide dog schools in California and the board
4 shall provide to guide dog users graduating from guide dog
5 programs in these schools a new avenue for the resolution of
6 disputes that involve continued use of a guide dog, or the actual
7 physical custody of a guide dog. Guide dog users who are
8 dissatisfied with decisions of schools regarding continued use of
9 guide dogs may appeal to the board to convene an arbitration panel
10 composed of all of the following:

11 (1) One person designated by the guide dog user.

12 (2) One person designated by the licensed guide dog school.

13 (3) A representative of the board who shall coordinate the
14 activities of the panel and serve as chair.

15 (d) If the guide dog user or guide dog school wishes to utilize
16 the arbitration panel, this must be stated in writing to the board.
17 The findings and decision of the arbitration panel shall be final and
18 binding. By voluntarily agreeing to having a dispute resolved by
19 the arbitration panel and subject to its procedures, each party to the
20 dispute shall waive any right for subsequent judicial review.

21 (e) A licensed guide dog school that fails to comply with any
22 provision of this section shall automatically be subject to a penalty
23 of two hundred fifty dollars (\$250) per day for each day in which
24 a violation occurs. The penalty shall be paid to the board. The
25 license of a guide dog school shall not be renewed until all
26 penalties have been paid.

27 The fine shall be assessed without advance hearing, but the
28 licensee may apply to the board for a hearing on the issue of
29 whether the fine should be modified or set aside. This application
30 shall be in writing and shall be received by the board within 30
31 days after service of notice of the fine. Upon receipt of this written
32 request, the board shall set the matter for hearing within 60 days.

33 (f) As a general rule, custody of the guide dog shall remain with
34 the guide dog user pending a resolution by the arbitration panel.
35 In circumstances where the immediate health and safety of the
36 guide dog user or guide dog is threatened, the licensed school may
37 take custody of the dog at once. However, if the dog is removed
38 from the user's custody without the user's concurrence, the school
39 shall provide to the board the evidence that caused this action to
40 be taken at once and without fail; and within five calendar days a

1 special committee of two members of the board shall make a
2 determination regarding custody of the dog pending hearing by the
3 arbitration panel.

4 (g) The arbitration panel shall decide the best means to
5 determine final resolution in each case. This shall include, but is
6 not limited to, a hearing of the matter before the arbitration panel
7 at the request of either party to the dispute, an opportunity for each
8 party in the dispute to make presentations before the arbitration
9 panel, examination of the written record, or any other inquiry as
10 will best reveal the facts of the disputes. In any case, the panel shall
11 make its findings and complete its examination within 45 calendar
12 days of the date of filing the request for arbitration, and a decision
13 shall be rendered within 10 calendar days of the examination.

14 All arbitration hearings shall be held at sites convenient to the
15 parties and with a view to minimizing costs. Each party to the
16 arbitration shall bear its own costs, except that the arbitration
17 panel, by unanimous agreement, may modify this arrangement.

18 (h) The board may study the effectiveness of the arbitration
19 panel pilot project in expediting resolution and reducing conflict
20 in disputes between guide dog users and guide dog schools and
21 may share its findings with the Legislature upon request.

22 (i) This section shall cease to be operative on July 1, 2008, and
23 as of January 1, 2009, is repealed, unless a later enacted statute,
24 which is enacted before January 1, 2009, deletes or extends that
25 date.

26 ~~SEC. 12. Section 7801 of the Business and Professions Code~~
27 ~~is amended to read:~~

28 ~~7801. As used in this chapter, "board" means the Board for~~
29 ~~Geologists and Geophysicists. Any reference in any law or~~

38 regulations that are reasonably necessary to carry out its
39 provisions.

(b) The board may adopt rules and regulations of professional conduct that are not inconsistent with state and federal law. The rules and regulations may include definitions of incompetence and negligence. Every person who holds a license or certificate issued by the board pursuant to this chapter, or a license or certificate issued to a civil engineer pursuant to Chapter 7 (commencing with Section 6700), shall be governed by these rules and regulations.

(c) This section shall become inoperative on July 1, 2004, and, as of January 1, 2005, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 2005, deletes or extends the dates on which it becomes inoperative and is repealed. The repeal of this section shall render the board subject to the review required by Division 1.2 (commencing with Section 473). However, the review of this board shall be limited to only those unresolved issues identified by the Joint Legislative Sunset Review Committee.

SEC. 14. Section 8741.1 of the Business and Professions Code is amended to read:

8741.1. The second division of the examination for licensure as a land surveyor shall include an examination that incorporates a national examination for land surveying by a nationally recognized entity approved by the board, and a supplemental California specific examination. The California specific examination shall test the applicant's knowledge of the provisions of this chapter and the board's rules and regulations regulating the practice of professional land surveying in this state. The board shall prepare and distribute to applicants for the second division of the examination a plain language pamphlet describing the provisions of this chapter and the board's rules and regulations regulating the practice of land surveying in the state.

The board shall use the national examination on or before June 1, 2003. In the meantime, the board may continue to provide the current state-only second division examination and administer the test on the provisions of this chapter and board rules as a separate part of the second division examination for licensure as a land surveyor.

1 quarterly basis. To renew an unexpired license the license holder
2 shall on or before the date of expiration indicated on the renewal
3 receipt, apply for renewal on a form prescribed by the board, and
4 pay the renewal fee prescribed by this chapter.

5 SEC. 16. Section 8805 of the Business and Professions Code
6 is amended to read:

7 8805. The amount of the fees prescribed by this chapter shall
8 be fixed by the board in accordance with the following schedule:

9 (a) The fee for filing each application for licensure as a land
10 surveyor at not more than four hundred dollars (\$400), and for
11 each application for certification as a land surveyor-in-training
12 (LSIT) at not more than one hundred dollars (\$100).

13 (b) The temporary registration fee for a land surveyor at not

26 passage of examination. The fee shall be no more than the costs
27 incurred by the board.

28 (g) All other document fees are to be set by the board by rule.
